The ne plus ultra in terms of performance and ease of use, with minimal cleaning time and effort and minimum space requirement.

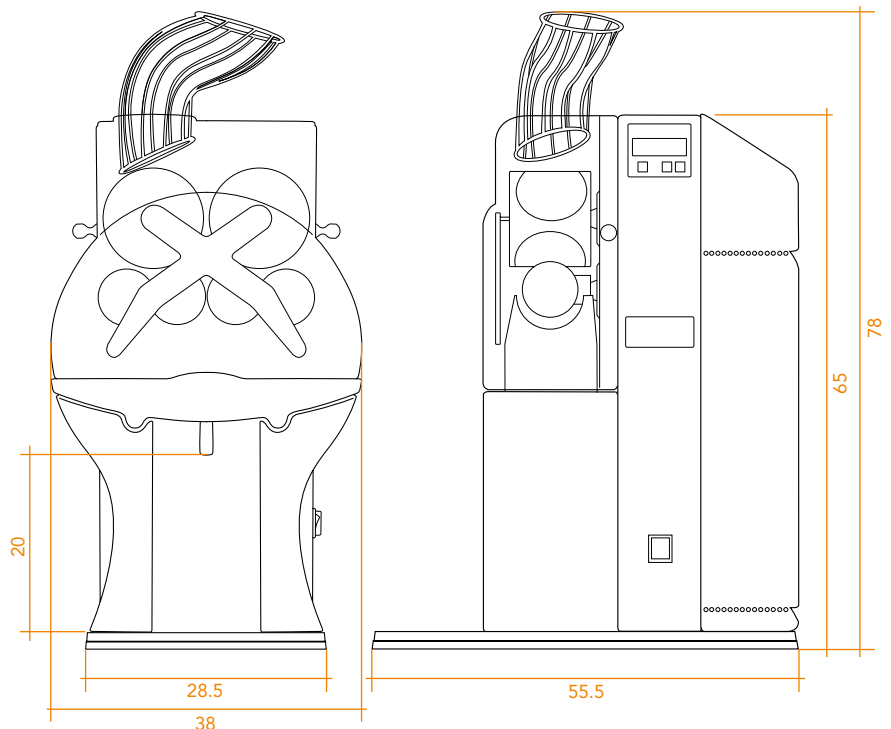

- Automatic start when feeding in fruit
- Minimum space requirement (footprint)
- High squeezing capacity
- Quick and easy cleaning through Double-Cover System and Cross Holder
- Purest orange juice due to SCS Up & Down Cutting System
- Large digital display with counter for squeezed fruits
- Easy and user-friendly operation
- Runs extremely quiet

# Ready steady go.

## Auto-Start Function.

The CITROCASA Fantastic M/AS with an Auto-Start Function automatically begins to squeeze as soon as fruits are fed into it. This Auto-Start Function when feeding in fruit provides extra convenience, particularly in the self-service area. The fact that the machine also switches off automatically and returns to the starting position after the squeezing process makes everything even easier.
